

CERTIFICATE

for

**Weingut Pfeffingen
Pfeffingen 2
D-67098 Bad Dürkheim**

We hereby confirm that the above mentioned business is a member of the FAIR and GREEN e.V. since January 31, 2019 and thereby subject to an annual audit in accordance to the FAIR'N GREEN-standards for sustainable winemaking.

The most recent sustainability audit on June 24, 2019 has been completed successfully. The winery has furthermore set itself mandatory targets to improve its sustainability performance. The result of the sustainability audit has been validated by an independent third party (GUTcert GmbH). The business is hence entitled to label all wine products that were cultivated in accordance to the FAIR'N GREEN standard with the FAIR'N GREEN seal. These are all estate wines since the vintage 2019.

This certificate is valid until revoked or the issuance of a new certificate however no longer than September 18, 2020.
